I am a passionate web developer with a proactive approach and strong technical skills. I lead projects from conception to implementation, ensuring excellence throughout the development cycle. Committed to driving project success through creativity and technical expertise, my goal is to contribute to web development projects, staying updated on the latest trends, and applying innovative solutions to achieve outstanding results.

Work Experience

08-2021 - 04-2024	Developer <i>Syncstark Corp</i> I led the full development of web solutions using JavaScript, PHP, and MySQL, implementing innovative features. I managed NginX servers for optimal performance, led the creation of solution extensions, and developed mobile applications for enhanced accessibility. I implemented system optimization and continuous maintenance to ensure stability, bug fixing, and security.
